

Town of Simsbury

FY 2020-2021 Annual Report

Greetings from the BOF, BOE, BOS Chairs

We are pleased to present the 159th Annual Report of the Town of Simsbury. The goal of the report is to provide our residents and businesses important information about the Town's financial position and performance during the reporting period, fiscal year July 1, 2020 to June 30, 2021.

The Board of Finance is a citizen oversight board that serves as the Town's primary budget making authority. The Board works in a collaborative manner with the Town Manager and the Boards of Selectmen and Education to ensure the highest quality services at the lowest possible cost, while ensuring long term fiscal discipline. A top priority of your town government is to make sure you, as a resident, have an accurate accounting of how your tax dollars are spent and a summary of town functions, goals and accomplishments.

We are pleased to report that Simsbury's fiscal condition continues to be strong with a Standard and Poor's AAA rating, the highest bond rating that a municipality can achieve. The Board of Finance strives to maintain adequate fund balances and a balanced budget that covers our expenses while recognizing the importance of keeping taxes affordable for our citizens.

Excellent public schools, historical charm, preserved open space, recreational and cultural offerings, strong governance, and quality services keep Simsbury a beautiful and award-winning place to live, work and retire.

It is an honor and privilege to serve as your elected members of the Simsbury Board of Finance. We thank the many dedicated members of our community who give of their time and talent to serve on boards and commissions and Town and Board of Education staff who work hard every day to serve our residents and businesses.

Regards,
Rob Pomeroy, Board of Finance Chair FY 20/21

There is no way to write this letter without a focus on the pandemic. It has not only run our own lives since March of 2020, but has also been the main factor in guiding how we educated our students in the 2020/2021 school year.

In the summer of 2020, we saw our entire community of stakeholders come together on two different task forces to ensure that we would get all students set up for a successful school year during unprecedented times. Our Reopening Task Force made sure that we had everything we needed to make our schools safe, clean and productive. From tents for lunches, classroom layouts to ensure pandemic spacing, and the all-important hand sanitizer (in vast amounts), our staff got everything up and running before school began.

The Teaching and Learning Task Force ensured that our teachers could reach all students whether in-person or online. Through the newly built Distance Learning Academy, our teachers and students did amazing work while adapting to a brand new way of teaching. Our caring, kind and compassionate teachers continued to guide in-person students to flourish through a challenging year.

The Simsbury Public Schools is an organization that I am proud to serve. Our superintendent and central office staff have worked tirelessly in support of all our teachers, para-educators, administrators, custodians, cafeteria staff and support staff at every building. I sincerely thank every school employee for their endless professionalism, kindness, and determination.

I extend my gratitude to our community for lending their support to us through this challenging year. We look forward to starting to build you a new Latimer Lane School in this upcoming year and are excited for the future of Simsbury Public Schools.

Regards,
Susan Salina, Board of Education Chair FY 20/21

As I conclude my second term as your First Selectman I am more convinced than ever that there is no community like Simsbury. I believe our spirit of civic engagement and volunteerism is at the heart of what makes Simsbury different. For a year and a half we have endured a once in a lifetime pandemic, yet throughout, we have seen unending creativity and perseverance.

I applaud the unending determination of our 350th Committee who continued to imagine and reimagine how to celebrate safely among ever changing gathering protocols. Through grit, creativity, and teamwork, the Committee organized numerous events that safely brought our community together to celebrate this milestone.

I applaud our incredible Town staff who met this challenge with equal creativity; delivering services virtually, thinking beyond business as usual, while following the guidance of our trusted public health partners.

Under the form of government we adopted nearly 4 years ago, our Board of Selectmen provides strategic direction and governance, while our Town Manager oversees the day-to-day work of running the town. As you will see through this annual report, our Board of Selectmen in partnership with the Boards of Education and Finance, have continued to invest in our strengths as a community: among them, our schools and our open space. I thank our voters for approving a much-needed renovation to Latimer Lane Elementary and a strategic acquisition of open space known as Meadowood. We have continued to invest in our sidewalk and bike path infrastructure, and this year we cut the ribbon on our newest park, Hopbrook Landing at the Flower Bridge.

In the coming year, our Board of Selectmen will be working with a broad range of community stakeholders to determine how to invest \$7.5M in federal recovery money that will be coming to Simsbury. As we continue to move through, and hopefully beyond the pandemic, I look forward to continued engagement with our community as we write our next chapter together.

Kindly,
Eric Wellman, First Selectman, FY 20/21
